Our work in Benin

In July, I will be traveling to Benin, along with Christians from several other congregations that share in the work of supporting the Benin Bible Training School in Zinvie, Benin.

We will attend graduation and will be spending a lot of time on the main campus (where the full time students attend and where the Frankie Smith Ag Project is located). We will also be visiting the two satellite schools and conducting a lectureship series. After the others have returned to the states, I will be staying in Benin for another week and will be working with the preachers that we support in a number of congregations. As I've done in the past, I hope to take a financial gift to aid our preaching brethren. If you would like to contribute specifically to this gift offering, please give your cash or checks to Gretchen Whitmire, Bob Williams or myself. I will need to have the cash available to convert to new currency before leaving. You have been very generous in the past and they have been able to do a number of things with your gift. Please be praying for this trip and its opportunities and be planning to make a contribution towards that gift. - DC
