Building in Bohicon

Let's not forget the work in Bohicon, Benin. Paul Tohionon in Bohicon and Joachin Tonou in Abomey are working in that region of Benin most heavily influenced by idolatry. God continues to open doors for them and the church is strong in its faith. They are meeting in rented quarters in an almost inaccessible part of Bohicon. Their desire is to have a location of their own in which to meet in the center of town. We are raising funds for that effort and so are they. Please help if you can and feel free to speak with DC or Bob Williams if you have any questions.
